

You've Registered NOW WHAT?!?!

When do the coaches get their teams and when will we be called?

Coaches will get their rosters in mid July, and should start calling players by August 1st.

How often are practices and games?

Practices are held once or twice a week (depending on age group). Practice times and location will be determined by your child's coach. Games will be on Saturdays with the first game on September 11th. U16 and U19 games are played on Saturdays and Sundays, due to a shorten season.

It's after August 1 and my child has not been called. What do I do?

Please do not panic if you see teams practicing and your child has not been called. Not all teams begin practice at the same time. The very young teams, in particular, may not begin practice on August 1. Also some coaches may be on vacation. If your child has not been called by August 15, please contact the Coach Administrator or Commissioner.

What else does my child need?

The registration fee includes: uniform (jersey, shorts, socks), supplemental accident insurance and a picture packet.

Additionally your child will need shin guards, a soccer ball and appropriate shoes, soccer cleats are recommended but not required.

Soccer Ball Sizes:

- U6, U7, and U8 - Size 3
- U10 and U12 - Size 4
- U14 and above - Size 5

A few things to remember ...

No jewelry or **hard** hair ornaments may be worn during any games. This is for the safety of the children.

Your child cannot play with a cast, if your child is injured, you must sign a waiver for your child to be able to return to play. (This includes practices also.)

If games or practices are to be cancelled due to weather or air quality it will be posted on the web site.

My child can't play, what is Region 677's refund policy?
